## PARTNERSHIP

We encourage you to write a simple paragraph about what Partnership at Sanctuary Church will mean to you: what you expect to give of yourself, what you hope to receive, areas of growth, challenges to tackle – anything that expresses your thoughts and feelings.

## GENEROSITY

God willing, through faithful stewardship my giving this year will be honoring to God, understanding this is a matter of prayer, planning, and faithfulness on my part, and that it allows my church community to create a thoughtful and realistic budget for ministry and mission.

\*If putting down on paper an approximate dollar amount is helpful for you, insert that number here. No pressure. \$ \_\_\_\_\_
